Dear Mr. Rigby:

Please allow me to commend Ashley Harrison, Kelly Whiteside, and Katy Rose White, three of your senior students, for their volunteer work at the November 6, 2001, Louisville Area Job Fair. Joe Buckner, my Military Transition Advisor and Job Fair Director, informed that these three students were outstanding in their support of this event. They displayed a strong sense of professionalism, maturity and courtesy and were eager to follow directions and serve those who were attending the job fair.

As you probably know, this event provided an opportunity for over 900 unemployed residents of that area to apply for employment with 31 different employers. It was tremendously successful in terms of the number of job offers received by the participating applicants and in terms of the hope it provided to many of those that are struggling to pay their bills and provide for their families.

The success of this event was due in large part to the efforts of volunteers from Louisville and Winston County. Thank you for permitting these three seniors to take part in this community and statewide effort to help the unemployed. Please share my commendation and appreciation to these three students.

Very truly yours,

RONNIE MUSGROVE
