
INTEROFFICE MEMORANDUM

TO: GOVERNOR MUSGROVE
FROM: SHANNON AND KIM
SUBJECT: AUTOGRAPHED PICTURES
DATE: 5/23/2001

Kim and I were wondering if you still have the stack of pictures of yourself that we sent in to be signed. We have quite a few requests that are piling up in the correspondence office for autographed pictures. We will be glad to autopen the pictures but, the autopen sometimes messes up on the "G" in your last name. We can attempt the autopen if you want us to, but it will look better if you can sign them.
