

June 23, 2000

Ms. Karen Brashier
Clerk of the Council
City of Biloxi
Post Office Box 429
Biloxi, Mississippi 39533

Dear Ms. Brashier:

Please know that I have received your letter dated June 22, 2000 in which you have requested that legislation regarding the City of Biloxi's municipal employees' benefits be included in the Special Session. The *MONTH* Special Session is specifically dedicated to Economic Development for the entire state of Mississippi. Our administration is committed to ensuring all Mississippians have the opportunity for a bright future. Bringing higher-paying jobs and promoting growth at home are high priorities for us. At this time it would be inappropriate for legislation for the City of Biloxi employee benefits to be included in the agenda.

Thank you again for your letter. By working together, we can set unprecedented goals and achieve unparalleled levels of progress. If I can be of any assistance please do not hesitate to call.

Very truly yours,

RONNIE MUSGROVE
