Dear Katie:

Thank you for taking the time to write my office. I am happy to answer the questions that you asked me in your letter. I graduated from Northwest Community College and then the University of Mississippi. It is fun being Governor of Mississippi and no I was not a governor in another state before.

I wanted to be Governor so that I could help make Mississippi a better place to live, work and raise a family. I have been Governor since January 11, 2000. I hope that these answers have answered the questions that you had.

I have also enclosed the picture that was requested with my signature and if I may ever be of assistance in the future, please do not hesitate to contact me.

Very truly yours,

RONNIE MUSGROVE
