

Psalm 44:7

But You have saved us from our enemies,
And have put to shame those who hated us.

It is God's arm of salvation that comes through for us in every battle! Our enemy wants to kill us, God wants to save us. Our enemy hates us, God loves us. The world is full of hate. There are plenty of hateful people out there to knock us off. We must let love overcome evil. God will shame the evil heart when He saves His people.

The only way God can save us from our enemies is for us to turn to Him and trust Him. We must bow the knee to Him in worship and humility.
