Sir,

I am a 36 year old mother of 3, and I voted for you in the election, and was glad that my vote finally counted. You are such a real person, with emotions, concerns, religious beliefs and compassion. You have done MORE for our state in the short time you've been in office, than most did in a whole term.

I knew deep down, that voting for you was the right thing to do, and you proved me right.

I pray daily that God will lead you down the path that takes our state to complete harmony, lower unemployment rates, and violence that ceases without fail.

May God bless you and your family as you carry the fate of our state on your shoulders.

Thank you for being human!

Sincerely,

Margaret Edens
