Governor Ronnie Musgrove
P.O. Box 139
Jackson, MS 39205

Dear Governor Musgrove,

The nation's progress in eliminating drunk driving deaths has stalled.

In 2000 and 2001, the number of alcohol-related traffic deaths increased in the United States. Worse yet, the rate of alcohol-related traffic deaths (based on the number of miles traveled in America) also increased -- a clear sign that the deaths are not a reflection of increased travel by the American public.

As my current governor, I'm asking you to help raise awareness among incumbent legislators and lead the charge in upcoming sessions with a renewed focus on drunk- and impaired-driving issues.

Sincerely,
Mr. James Winston
