PUBLIC NOTICE NUMBER W10 3469

BAG LIMITS: Same as statewide bag limits, EXCEPT during permit hunts on deer when the limit is one legal buck per hunt.

PERMIT STATIONS: All visitors must obtain a DAILY VISITOR USE PERMIT card from a self-service permit station. Parts A and B of this permit must be legibly filled out before using the WMA. Part A of the permit must be deposited in the return box at a permit station before using the WMA. Part B must be displayed on the dash of the vehicle so that the name, address, and date are visible from outside the vehicle. Permits are invalid if not properly dated or if date has been changed. Before leaving the WMA, visitors must complete the reverse side of Part B of the permit and deposit it in the return box at a permit station. All deer hunters must check in and out at the permit station located at the WMA headquarters. It is the responsibility of the Area Manager and other Agency personnel to have permit cards completed.

DEER DATA COLLECTION: All deer harvested must be checked at the WMA Headquarters before leaving the WMA. If WMA personnel are not available to check the deer, the hunter is responsible for collecting and legibly recording ALL biological data. Instructions and equipment will be provided.

DEER HUNTING PERMITS: Deer hunting, except for the youth gun hunt and the Jan. archery hunt, is allowed by special permit only. To receive an application send a self-addressed, stamped, letter size envelope to Twin Oaks WMA Deer Hunts, 2291 CR 145, Greenwood, MS 38930. Only one application per hunter will be accepted. Completed applications must be received by Aug. 1, 2005 to be eligible for drawing. Hunters who are selected will be notified by mail.

LEGAL BUCKS: Legal bucks are those with four or more antler points AND an inside spread of 15 inches or more. For hunters less than 16 years of age, one of the three buck bag limit may be any antlered buck.

SPECIAL BUCK TAGS: For research purposes, a limited number of special buck tags, which allow the harvest of bucks with at least one unforked antler, will be issued to hunters. A drawing will be conducted using the names of hunters selected for the permit only deer hunts. Hunters who are selected will be notified by mail.

DEER WEIGHT LIMIT: All antlerless deer must weigh a minimum of 85 pounds live weight to be legal for harvest. The average live weight of an adult doe on this WMA is 125 pounds. Any harvested antlerless deer less than 85 pounds live weight is an illegal deer.

DOG RESTRICTIONS: Deer hunting with dogs is prohibited. Small game hunting with dogs is allowed during any small game season. Hog hunting with dogs is allowed during daylight hours from Feb. 1 - Feb. 28 only.

TURKEY HUNTING PERMITS: Turkey hunting from Mar. 15 - May 1 is allowed by special permit only. To receive an application, send a self-addressed, stamped, letter size envelope to Twin Oaks WMA Turkey Hunt, 2291 CR 145, Greenwood, MS 38930. Completed applications must be received by Feb. 15, 2006 to be eligible for drawing. Hunters who are selected will be notified by mail.

LEGAL WEAPONS: Only centerfire rifles, shotguns with slugs, primitive weapons (as defined by Public Notice 2280.002), and centerfire handguns may be used for deer hunting during the youth deer hunt. Other deer seasons are restricted to archery and primitive weapons. Legal weapons for small game hunting (excluding waterfowl) during daylight hours are shotguns using #2 shot or smaller and rifles or handguns no larger than .22 rimfire magnum. When hunting with a handgun, no other gun may be in possession. Only archery equipment and shotguns with #2 shot or smaller may be used for turkey hunting.
