

SYSTEMS ADMINISTRATOR II PUBLIC INFORMATION OFFICE

STARTING ANNUAL SALARY PLUS BENEFITS: \$34,279.28

DEADLINE FOR RECEIVING APPLICATIONS: Wednesday, December 4, 2013

To apply for this position, please go to the State Personnel Board website (www.spb.state.ms.us) and submit an e-application.

This is professional and technical work involving the design, development, maintenance and support of Internet and intranet Web operations. The incumbent is expected to perform technical and creative functions in the management of the agency's website. Prefer familiarity with Adobe Illustrator, PHP, MySQL, HTML/HTML5, CSS, Javascript and XML. Experience working with Adobe Photoshop and Dreamweaver is required. The incumbent will need to be detail-oriented with strong communication abilities.

Education and experience must meet one of the following criteria:

- Bachelor's degree from an accredited four-year college or university in computer science, data processing, business information systems, or a related field
- Associate's degree from an accredited two-year college in computer science, data processing, business information systems, or a related field, and two years of directly related field experience
- Graduation from a standard four-year high school or equivalent (GED), and four years of directly related experience.

Substitution Statement:

Related education and directly related experience may be substituted on an equal basis.

Possession of an Institute for Certification of Computer Professionals (ICCP) Certificate based on successful completion may be substituted for one (1) year of the required experience (certificate must be attached).

MDAH is an Equal Opportunity Employer.
