HISTORIC PRESERVATION CERTIFICATION APPLICATION
PART 3--REQUEST FOR CERTIFICATION OF COMPLETED WORK

Instructions: Upon completion of the rehabilitation, return this form with representative photographs of the completed work (both exterior and interior views) to the Mississippi Department of Archives and History. If a Part 2 application has not been submitted in advance of project completion, it must accompany Part 3. A copy of this form will be provided to the State Tax Commission. Type or print clearly in ink. The decision of the Department of Archives and History with respect to certification is made on the basis of the descriptions in this application form. In the event of any discrepancy between the application form and other, supplementary material submitted with it (such as architectural plans, drawings and specifications), the application form shall take precedence.

1. Name of property: ____________________________________________
Address of property: Street ________________________________________
City ___________________________ County __________________________ State MS Zip ________________

Is the property listed on the National Register or designated a Mississippi Landmark? ☐ yes ☐ no

If not, this Part 3 application will be held by the Department of Archives and History until the property is listed on the National Register or designated a Mississippi Landmark. Only after the building has been listed on the National Register or designated a Mississippi Landmark will the rehabilitation qualify for the tax credit. MDAH does not prepare nominations on request from the public. It is the responsibility of the property owner to submit a National Register nomination form or to request Mississippi Landmark designation. To apply for listing on the National Register, a nomination must be submitted to the Department of Archives and History. It then must be approved by the Mississippi Historic Preservation Professional Review Board, which meets three times per year. Upon approval by the Review Board, the nomination is forwarded to the National Park Service for review and final approval. To request designation as a Mississippi Landmark, the owner should contact the Department of Archives and History; however, he should be aware that Mississippi Landmark designation places a perpetual preservation easement on the property.

2. Data on rehabilitation project:
Project starting date: ____________________________________________
Date of project completion: _______________________________________

Cost of Rehabilitation (refer to list of qualifying expenses included on page 6 of the instructions):

Rehabilitation expenses incurred before January 1, 2006 (ineligible for the state tax credit): $ ________________________________

Estimated costs attributed to new construction associated with the rehabilitation, including additions, site work, parking lots, landscaping: $ ____________________________

Effective the date indicated below, the rehabilitation of the “certified historic structure” is hereby designated a “certified rehabilitation.” A copy of this certification has been provided to the State Tax Commission. This letter of certification is to be attached to all income tax returns on which the credit is claimed. Questions concerning specific tax consequences or interpretation of S.B. 3067 should be addressed to the State Tax Commission. Completed projects may be inspected by an authorized representative of the Department of Archives and History to determine if the work meets the Standards. The Department reserves the right to make inspections after completion of the rehabilitation and to revoke certification if it is determined that the rehabilitation project was not undertaken as presented by the owner in the application form and supporting documentation or the owner, upon obtaining certification, undertook unapproved further alterations as part of the rehabilitation project inconsistent with the Standards.
